

Local Resources

For Women Founders

[Beyond Boundaries](#) is an accelerator program designed to unleash the power and potential of women entrepreneurs. Created with the unique challenges and opportunities faced by the diversity of women who start and run businesses.

Deadline: Sept 10th, 2021

[Summer Company](#) is a Provincial program that helps young people ages 15-29 start and run their own business by providing funding, advice and services. The Halton Region Small Business Centre is the local program provider and are currently accepting applications from youth in high school, college or university.

Deadline: May 21st, 2021

[Starter Company Plus](#) supports eligible (aspiring) entrepreneurs looking to build their small businesses. The program provides training, mentoring, and an opportunity to pitch for a grant. Registration to attend a mandatory Information Session to apply to the program is now open on our website.

[Camp Molly](#) gives young women aged 15-18 a dynamic hands-on experience exploring the many exciting career opportunities available within the fire services.
